

## Mid-State Metal Detecting Club Newsletter October 2017

### EDITOR'S CORNER:

As your editor for the past few years, (I can't remember how many), I will not be the editor anymore after this month. I will help the next person or persons in getting started, that is if they need it.

Thank you,  
Shelby

The number of members at the last meeting was 16 and 1 guest.

Kent Kehus (Vice President) ran the last meeting.

Membership Drawing was won by Doug Miller. \$10, so next month the pot will be \$10 again.

There was no 50/50

First Finds/Special Finds; Doug Miller. Found 3 lead bars that many yrs ago men would cut a chunk off of it, and make a bullet.

OLD BUSINESS; Kent passed around a new form bout the hunt for completion, so it is easier to figure out hunter's divisions. Larry Kollins brought up that someone needs to fix the trailer for the hunt. Larry Vanderhoef checked on some campgrounds for possibly a new site for our annual hunt. Steve Miller may keep the trailer at his house if someone can get it to his house.

NEW BUSINESS; Sharon O'connor suggested that we drop the January & February meetings. Members should think about it. We will talk more about it at the October meeting.
