

Welcome to the Wausau Prospectors Outing at the Snyder County Park & Campground September 6th, 7th, 8th, 2019

This Outing will take place at the Snyder Park Campground, located about 7 west of Neillsville Wisconsin off of HWY 10. Watch for the park sign. This is a large park with a lake and the park has a lot to offer. There are restrooms, shelters, ATV Trails, camping, etc. All personnel are responsible for getting and paying for their own camp site. Come up on Friday or earlier and do some prospecting on Wedges Creek. The activities for this Outing will take place on Saturday September 7th. Two nice pamphlets to get from the Clark County Forestry and Parks Department would be the Clark County Snyder Park Campground and Clark & Jackson County ATV Trails (this one has a nice map of the area).

Good places to pan and sluice are to the north where Wedges Creek flows into the lake. The further north you go up the creek, the shallower it gets. There is an ATV Trail that follows the Creek north for about 3 ½ miles. A good place to access the river and still be on county land is where Chili Road crosses the creek about 3 ½ miles to the north of the lake. If you access the creek at Chili Road you must stay on the south side of the road to be on county land. You can also pan and sluice on the south side of the dam where Wedges Creek flows out of the lake. Always think safety when entering the water from the bank. **Do not dig into the banks and fill in your own holes. Stay within the park boundary or if on private land ask for landowner's permission first.**

Saturday Activities:

In the morning go on down to the creek and get some gold.

Noon Time: There will be a cookout with a short meeting and raffles to follow at picnic shelter #1. Please bring a dish to pass. The club will be providing the hamburgers, hotdogs, condiments, buns, paper plates, plastic ware, and napkins. **Bring your own beverages.** The club will provide water.
