

Welcome to the Wausau Prospectors Outing at the South Dakota Husker #1 GPAA Claim May
19th, 20th, & 21st 2017

There are no outdoor toilets at the claim so provide your own. Bring your own meals and beverages, and clean up after yourself. Do not cut into the banks while Prospecting and fill in your holes. Take out your trash when you leave. This Outing is to provide a common area for the club to meet and enjoy prospecting together. Plan on a stop at the town of Wall South Dakota. The National Grassland Visitor Center is located in Wall, SD. There you can get information on rock & mineral hunting in the Buffalo Gap National Grassland. Be sure to check out the town of Deadwood and Mount Rushmore too.

Directions to Husker #1: Located 5 ½ Miles west of Sturgis on HWY 14A and 5 ½ miles east of Deadwood on 14A. Going west on 14A you will turn off to your left just past the US Forest Service sign (Black Hills National Forest). Coming East from Deadwood there is no sign so you should watch your odometer. The claim is about 800 feet down the road to the first creek crossing (Sign is in tree above the creek and to the left). Other GPAA claims in the Black Hills area are Migg 1 to 4, Rainbow, and Mary Ann. You must be a GPAA member or with a GPAA member (as a guest) to use those claims.
