

**Welcome to the Wausau Prospectors Outing to the Upper Michigan Keweenaw Peninsula near Ontonagon June 7<sup>th</sup>, 8<sup>th</sup>, 9<sup>th</sup> 2019**

This Outing will take place in the Upper Peninsula near Ontonagon Michigan. The Ontonagon Township Park has a very nice campground at which to stay at. There is a fee for this campground. They do not take reservations. All club activities will take place on Saturday, June 8<sup>th</sup>. **Be sure to bring your metal detector** for a great time. Contact Person is Kurt Bublitz at 715-340-2831.

**Saturday, June 8<sup>th</sup> Activities:**

We will be taking the "Prospectors Tour" at the Adventure Mine in Greenland Michigan in the morning. This tour is about 1 hour, 20 minutes long. Cost is \$26.00 per adult, \$14.50 per child 6 to 12 years of age, and free for children 5 and under. Time to be announced later. Participants in the tour must be in good health and have appropriate footwear. No open toed shoes, sandals, clogs, shoes with high heels, or other non-suitable footwear.

After the tour we will go metal detecting for copper at the Minnesota Mine tailing piles and perhaps other areas too. Bring your own lunch, beverages, metal detector, pails, digging tools, eye protection, gloves, and vehicle for the day.

**5 p.m. (Wisconsin Time)** Members will get together at a campsite (to be announced there) for a cookout. The club will be providing the hamburgers, hotdogs, condiments, buns, paper plates, plastic ware, and napkins. **Bring your own beverages and a chair and a dish to pass.**

**Other Things to do in the area:**

**Red Metal Minerals** – Take a ride to the Rock and Gift shop at Gitche Gumee Landing, 202 Ontonagon St., Ontonagon, Michigan (at the north end of River Street) to see a great selection of copper specimens, all sorts of interesting copper items, and many other minerals from Michigan and the world.

**Porcupine Mountains Wilderness State Park** – A very scenic state park.

**Agate Hunting** – Along the shores of Lake Superior.

**Yooperlites** – Bring a Black Light and look for Yooperlites at night.

**Gold Prospecting:** Try your luck panning the black beach sand or in the area streams.
