Presidents Letter

Thank you members for all the support you give to the club. Things Like bringing in a dish to pass for the meal, purchasing raffle tickets, and helping with set-up and take-down for the meetings. We had a total of 57 people for the November meeting. The Wausau Prospectors club meetings provide a great place to come to and to meet the folks who share a common interest whether it be prospecting, metal detecting, rocks and gems, or all of it.

Ken House gave a wonderful presentation on Desert Prospecting complete with the equipment that one would use out there in the Desert. I enjoyed talking with some of the members who are planning their trips out to the southwest this coming winter. Just remember to do some planning prior to your trip so you don't forget anything. The latest GPAA Magazine (Nov/Dec Issue) has an excellent article called Safety First that covers that topic.

If you're not going southwest, the long winter months provide a time for dreaming and planning for next years outdoor activities. If you have the Internet you have the world at your fingertips. A favorite website to visit and learn about prospecting is prospectingchannel.com and there are plenty more. Let your fingers do the traveling.

Our December meeting will be a short discussion on next years Outings and it will also be our annual Christmas Party. We will have a gift exchange for those who want to participate, you bring a gift, and you get a gift. This is voluntary; you do not have to do the gift exchange. For those participating, bring a gift wrapped item valued around \$10.00 (give or take). The item should be something that has to do with prospecting, metal detecting, rock & gems, camping, etc., and be gender-neutral (a male or female could use the same item).

For upcoming programs, January's meeting will be on Geode Hunting in the Midwest presented by Carl Mauritz, and for the February meeting Dean Race will give his presentation on his gold prospecting camp near Chicken Alaska.

Happy Thanksgiving - Kurt
